

The customized carpets are an unusual advertising display, suitable for fairs stands, in shops or during sporting events. Thanks to the special rubber anti-slip back, the carpets stay still and adherent to the ground.

- Maximum height 150cm
- Polyester with anti-slip rubber back
- Weight 850 g/mq
- Digital printing

A custom carpet is the best way to welcome your customers and to create a strong visual impact. Custom carpets combine the utility of the product with the elegance of a piece of furniture. The carpets are custom inkjet, edged in PVC with a thickness of 4mm. All colours are available.

- PVC bottom and border
- Weight 2400 g / qm
- Thickness 4 mm
- Inkjet printing
